PERSONAL PROFILE

Experienced academic and petition writer with a passion for producing insightful, well-researched, and impactful content. Leveraging a broad range of expertise, I specialize in academic documentation, persuasive writing, and technical content creation. Dedicated to fostering knowledge and driving meaningful contributions to academic and professional communities through meticulous research and writing.

PROFESSIONAL EXPERIENCE

Academic and Petition Writer, Freelance Services | Feb 2023 – Present

- Created over 60 high-quality academic papers, including peer-reviewed journal articles and technical papers.
- Designed persuasive petitions for academic funding, policy advocacy, and immigration-related initiatives.
- Provided guidance and support to academic writers and students.
- Drafted several academic petitions for Nigerian and international students.
- Ensured all materials complied with academic publishing standards, delivering content that is both clear and impactful.
- Ensured originality of all tasks, using softwares like Turnitin.

Supporting Researcher and Writer, Legal Assistant | Jun 2021 – Aug 2022

- Assisted in conducting legal research, drafting petitions and critiquing legal cases.
- Drafted legal documents based on available evidence.

- Drafted petitions including academic petition for students both in Nigeria and abroad.
- Thoroughly reviewed immigration petitions including the US employment based immigration.
- Conducted thorough research on policies, including local and international laws and immigration policies.

Technical Writer, EvoResearch Institute | Jul 2020 – Mar 2021

- Collaborated with interdisciplinary teams to draft and edit technical papers, policy briefs, and research proposals.
- Researched and analyzed global academic trends to support informed policy recommendations.
- Created comprehensive documentation for academic conferences, including presentation summaries and proceedings.
- Conducted workshops on academic writing and research for students.

Creative Writer, KnowledgeFront Writing Solutions | May 2019 – Jun 2020

- Produced compelling and engaging content for various platforms, including blogs, articles, and marketing campaigns, tailored to diverse audiences.
- Conceptualized and developed original storylines, scripts, and creative materials for projects across different media formats.
- Collaborated with clients and team members to craft unique and impactful narratives that resonated with target audiences.
- Stayed updated on industry trends and creative writing techniques to consistently deliver innovative and captivating content.
